To our valued partners,

We would love for you to join us in being part of a great collaboration with Rotary this year. We invite you to partner with the Rotary Clubs of Grande Prairie in this exciting “People of Action” conference!

Rotary provides the opportunity to grow and develop leaders, build friendships and to serve for the best interest of the world. To make this possible we need help from people like yourself, you won't be just a sponsor of Rotary but rather, a Partner of Action with us. By supporting this conference you are committing to providing the community with inspiration, reflection, inclusion, and a call to action to serve others; world-class speakers, personal, professional and community development. Your collaboration will bring change makers together and help build the future of tomorrow, today.

Rotary donates every penny they fundraise. Administrative costs are raised within the club itself through membership dues, fines, draws and other internal mechanisms. A conference such as this is important to ensure Rotary continues in communities around the district by educating and inspiring Rotarians, the people who make it all happen. That's why we need your sponsorship. We guarantee that sponsoring our 2019 Conference will be mutually beneficial. Below are just a few of the many opportunities:

- You will be exposed to a network of influential business professionals. Business professionals who will actively recognize and value your contribution to Rotary.
- You will have the opportunity to associate your brand with Rotary and interact with Rotarians.
- Be an instrumental part of bringing this high caliber event to Grande Prairie, AB.

Sponsorship packages come in all shapes and sizes so there is something for everyone from the small local business on the corner to the big corporate business with locations across the map. If you don't see something you like, let's chat and we'll create something together. We want to partner with great businesses who share our values and our goal of creating better communities at home and beyond.

We invite you to grow and develop as a leader, build friendships and serve the best interests of the world we can celebrate the values of Rotary together at the People of Action Rotary Conference. Thank you for considering our request.

Please contact me at (780) 518 3586 with any questions or comments.

Warm regards,

Holly Sorgen

Speakers

Amanda Lindhout

*New York Times Bestselling Author |
Expert on Resilience, Survival, and
Optimal Mindset*

Amanda Lindhout is a New York Times bestselling author and speaker. Her multiple award-winning memoir, *A House in the Sky*, has been a top ten bestseller for five years. This is the story of Amanda's years as an aspiring television war reporter in Iraq and Afghanistan as well as the 460 days she spent as a hostage in Somalia.
